

# CHANNEL PARTNER PROGRAM

**SUBSIDIARIES:**

Cebod Telecom

DIDforSale

**800-579-7676**

***partner@didforsale.com***

Cebod Technologies' VoIP based communication products are designed for businesses and enterprises to have the most effective and efficient interaction with their customers.

## SIP Trunking

Businesses can connect with our SIP Trunking services by using their IP-PBX platforms and VoIP Phones. Our SIP Trunks are cross-platform tested and certified.

## Phone Numbers

Get Programmable Local, Vanity & Toll-free Phone Numbers. Instantly provision new phone numbers or port your existing numbers by submitting an online port order. **Integrated 911 and Fax.**

## Messaging

Use business local, toll-free or vanity phone numbers to send and receive SMS/MMS messages. All phone numbers are SMS/MMS enabled.

## API's

Our Voice & Messaging API's are simple to use and have a seamless user experience. It allows user to create unique, powerful and scalable communication applications.

## Hosted PBX

Leader in Unified Communication Systems with all-inclusive enterprise grade Voice, Messaging and Fax. Allows businesses to connect & scale distributed workforce and locations, while efficiently connecting with customers.

## Cebod Advantage

- ✓ Largest phone number provider in USA & Canada.
- ✓ One stop for Local, Toll free or Vanity phone numbers.
- ✓ All Phone Numbers are SMS/MMS enabled.
- ✓ Easy integration. Certified by leading VoIP IP-PBX & Phone providers. (*Cisco, Microsoft, Mitel, NEC are a few of those.*)
- ✓ Flexible fax with or without fax machine.
- ✓ Access to UC Editor to manage Call Flows and IVRs.
- ✓ Increased marketing ROI with call tracking and integration with third party tool and analytics platforms.
- ✓ Online portal for easy account management.

A++++ DID Service, I have been using didforsale for 5+ years, service is always up and support is excellent, pricing competitive! would not do business with anyone else! Didforsale have set the bar for voip services
